- ReactJS

EDUCATION

<u>Expected</u> : UCONN Coding Bootcamp, Hartford, CT (Programming Certificate)	2019 – 2020
International TEFL Academy, Chicago, IL (TEFL Certificate)	2018
Wheaton College, Wheaton, IL (B.S. in Spanish)	2013 – 2016
Study Abroad, Santiago de Querétaro, México	Spring 2014

WORK EXPERIENCE

<u>Freelance English Teacher</u>	2018 – 2019
Applied TEFL certificate by teaching English in Mexico. Gave private lessons as well as classes in various factories for management teams.	
<u>ZN Construction, Canton, CT</u>	2016 – 2018
Journeyman Carpenter specializing in trim and molding. Rapidly given increasing responsibility, including the lead on small projects.	
<u>Doot Construction, Torrington, CT</u>	2011 – 2016, 2019 – 2020
Apprentice Carpenter with broad responsibilities. Received regular pay increases and additional responsibility.	
<u>Hartford Family Medicine</u>	Summer 2015
Assessed and routed patient phone calls, managed provider schedules, and processed patient records in bilingual (Spanish / English) family medical office.	

TRAVEL / INTERNATIONAL EXPERIENCE

Santiago de Querétaro, Mexico 2018 – 2019

Taught English for a year in Mexico's historic heartland.

Western Europe Summer 2016

Backpacked through France, Switzerland, and Germany.

Honduras Spring 2015

Team member of initiative that brought running water to two remote mountain villages.

Santiago de Querétaro, Mexico Spring 2014

Lived with a host family for a semester in Mexico's historic heartland.

VOLUNTEER EXPERIENCE

ESL class, Valley Community Baptist Church, Avon, CT 2017 – 2019

Volunteer instructor at a weekly ESL (English as a Second Language) class. Led activities emphasizing student engagement and fostering original language creation.

Honduras Project, Wheaton, IL 2014 – 2015

Raised money for potable water systems for two Honduran villages through yard work and donations over the course of the '14 – '15 academic year.

Tutoring, Hartford City Mission, Hartford, CT 2011 – 2012

Volunteer tutor during high school for an after-school program in Hartford. Helped elementary-age children with their homework, reading, and recreational activities.
